Evelyn,

You're one of the sweetest sisters I have  
and I hope you never change. You've  
helped me out a great deal this year  
with Connie and you'll never know how  
much I appreciate it.

If many second corny and you might  
say I'm fruit if had I love you for being  
what you are and  
law all you've ever  
done for me. I'll  
never forget you or  
your great boyfriend,  
Dandy. Stay as you  
are and your life will be filled with  
everything wonderful.

No matter what you undertake  
in life . . . Never give up or quit just  
because ~~you~~ you have a little trouble  
or a few hardships. Keep plugging away  
and you'll come out on top.

## Alma Mater

We sing out our praises  
To dear old Franklin High.  
With loyal and true love  
We sing it evermore.  
Through her hallowed portals,  
Though many have gone by,  
Her memories will still linger here  
As in the days before.

Alma Mater, Alma Mater,  
Tender fair and true,  
We renew our pledges and vows  
That we have made.  
To Alma Mater, Alma Mater,  
Dear old Franklin High.

# Foreword

We, the Annual Staff, through many long, unceasing hours of work, have endeavored to bring to you, the student body, treasured memories of our school activities and daily life.

It has been our chief goal to strive to make this, the "1966 Hornet Annual" a true picture of our school's undying knowledge and the loyalty characteristic of the student body, and faithful guidance of its faculty.

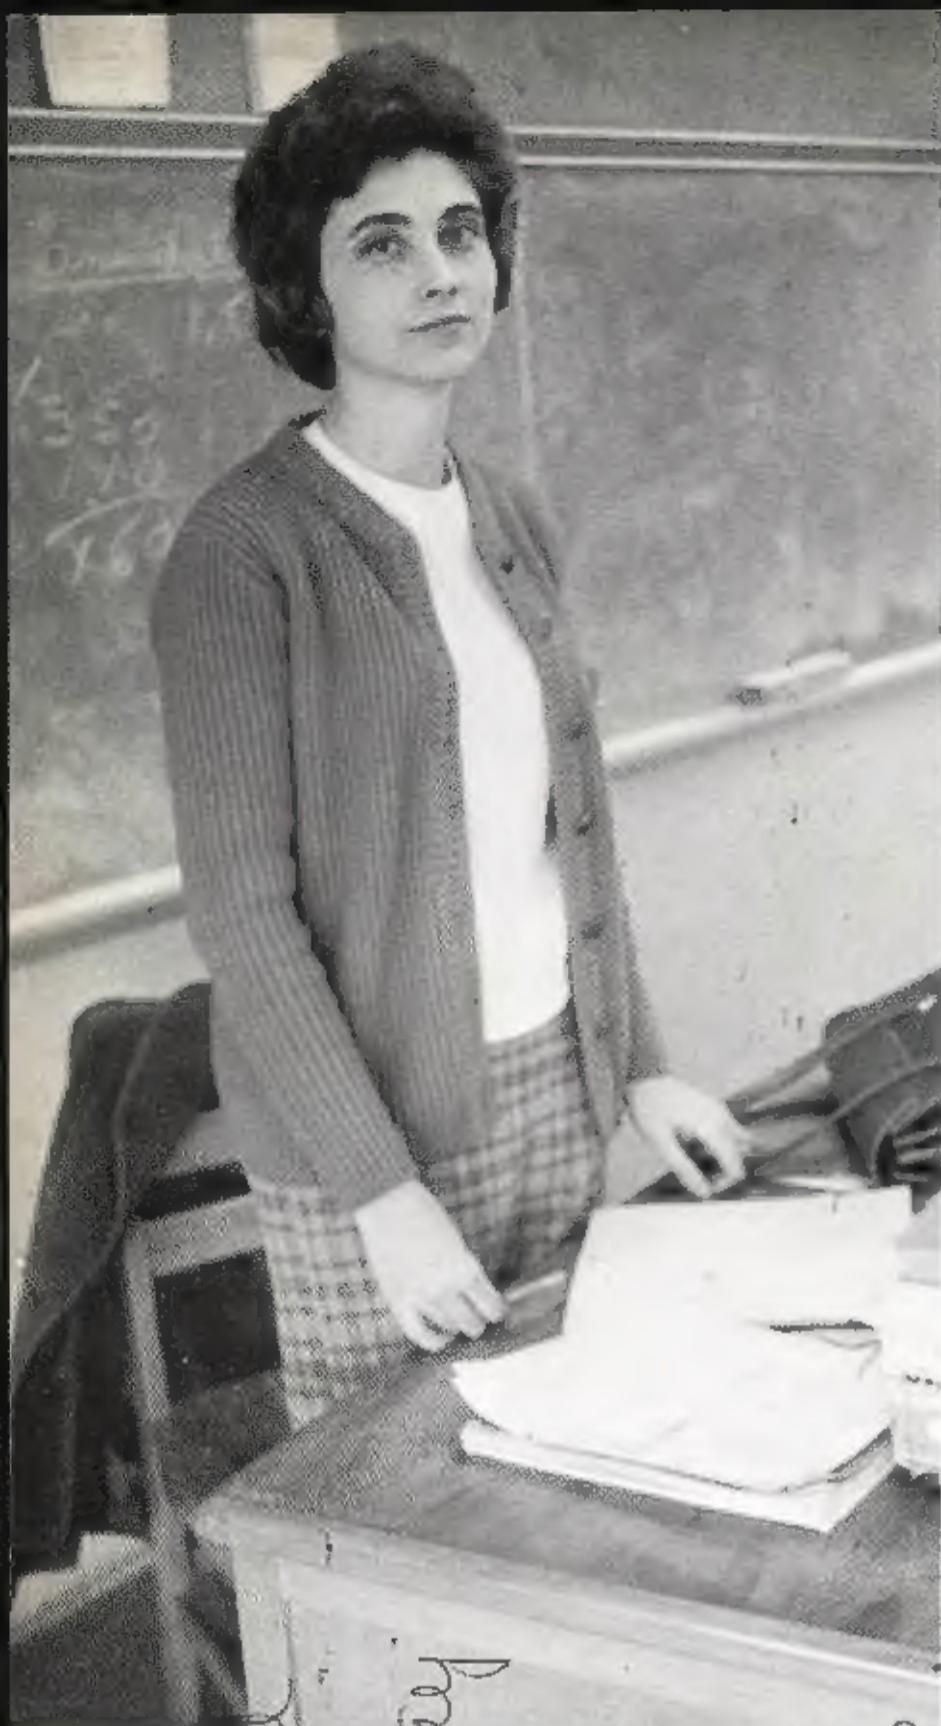

We hope that you will cherish this book so that it may remain in your hearts forever as a souvenir of your high school years at Franklin High, years which are the basis of our learning—years which can never be replaced!

## Dedication

To Mrs. Audrey Viator for the  
precious gifts of time, patience, un-  
derstanding, and encouragement, we  
humbly dedicate the 1966 Hornet.

Hi Evelyn,  
You're going to get one  
more trouble like that. But,  
don't worry; I know how it  
is. Be good to which ever  
one it is. You're great and  
bad as I was. Never forget  
the first time we had that  
Glennie. Boys' dad did have that  
black cat & it'll live there  
forever. Good luck everyth'

Collyn  
Is a real sweet girl who I will  
remember always as the dumbest  
or smartest girl in our Geometry.  
I will let you take your pick  
so I won't get you mad at me.  
Best of luck in the future.

Faculty

MR. J. C. DRY, Principal

To the Class of 1966:

Your dream of a lifetime will soon be realized when you graduate in June. It is my wish that your experiences at Franklin High School will always be cherished memories and that this annual will often refresh them in your mind.

The class will soon break up and you will go in diverse directions, but I hope you will always be united in the bonds of friendship, love and spirit for Franklin High School.

Members of the faculty and I are keenly interested in each of you and what you become in adult life. Your success or failure is a vital part of us, too. It is our wish that your lives will be long, happy and useful ones.

In order to accomplish this goal while traveling the Highway of Life, I would like to suggest the following thought of Shakespeare:

"To thine own self be true  
And it follows, as night the day,  
Thou canst not be false to any man."

Congratulations and best wishes to each of you.

Sincerely,

*J. C. Dry*

## THE BOYHOOD OF JEFFERSON

In 1810 Samuel Davis of New York bought a tract of land fronting on the Natchez Trace, containing 14 acres and running back to the Mississippi River for 100 acres. Removing his family to the new home after a long and arduous journey of eight weeks, he built a home not far from the site of the present town of Jefferson. Among his children living here was the future President of the Confederate States of America, Jefferson Davis. He was born at this place on February 3, 1808. After a residence of approximately a year Samuel Davis moved his family to near Woodville, Mississippi.

# In Memory of

ANDREW FOSTER

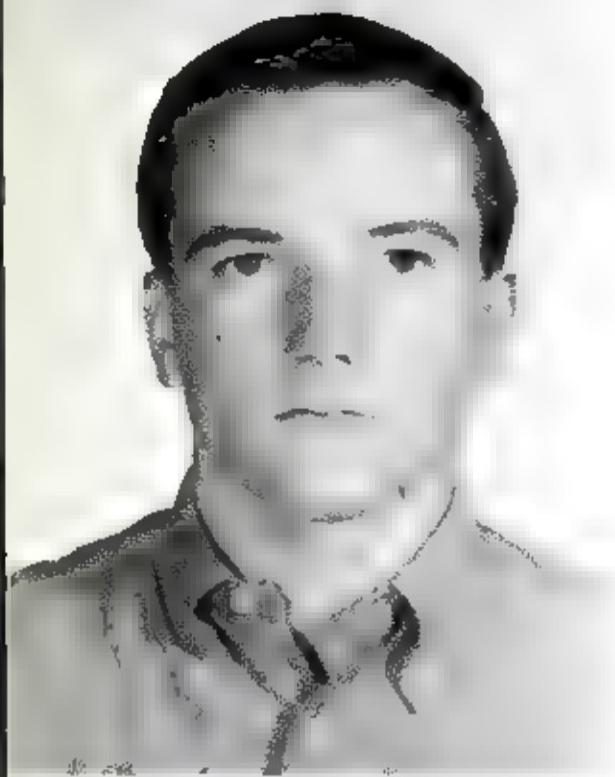

An empty locker, a vacant desk, the happy smile and pat on the back, these and many, many more are the fond memories we all enjoy of Andrew. These memories, precious as they may be, cannot replace the loss we have all suffered.

Andrew loved the "great outdoors". He was always close to nature and appreciated all the lessons and pleasure that it provided for him.

The fellowship and happiness of those around him were Andrew's heartfelt concerns. He was always dedicated to his many interests, seeing them all through to many profitable and wonderful endings.

Though memories are the only things left to remind us of Andrew, a tender spot will always be kept in the sorrowful hearts of all his friends and loved ones.

## In Memory of

GARY RASCO

A Tuesday in September brought us the most grievous of tragedies. Gary has left wonderful memories and a lesson in life to all.

Gary lived each new day to spread his kindness and friendship. His radiant personality and his love for everyone around him made him loved by all who knew him.

Gary wasn't big in stature, but had a heart as big as anyone's. Through his faith in God and his love of life, Gary found the true meaning and enjoyment of life.

A radiant personality such as Gary's will never be forgotten by anyone who knew him. His friends shall profit from the lesson he learned and lived by.

The hearts of all are tinged with sadness, as we try to pay tribute to a wonderful friend and companion.

Salute to

At FHS there is a teacher that has been through quite a few places in education Cliff A. Caillouet.

He was a graduate of Milton High School and then he attended USL, receiving a B.A. degree in vocal music education. Then he went to LSU and received a minor in poems and English. He also did graduate work at LSU, but was later transferred to the University of Notre Dame. There he received his master of music in 1951. Later he went to Thoral School in Chambersburg, Pa.

Caillouet did graduate work at Boston University where he was admitted into the doctoral program. He went to San Diego State College and studied under the famous Roger Wagner of UCLA.

He then went to Eastman School of Music at the University of Rochester in New York, and toured Europe with the All-American Chorus in

# Pelican State Delegates

The objective of Pelican State is to educate Louisiana youth in the duties, privileges, rights and responsibilities of American citizenship. It is a plan to provide training in the practical mechanics of government.

Pelican State is in effect a mythical 51st state. Its citizens are taught to honor and revere their God and their country. They learn to appreciate and cherish the Republican form of government and the freedoms guaranteed them by the United States and the State of Louisiana.

## Language

"Quit moving those desks!"

"Uh, uh, cut uh out uh..."

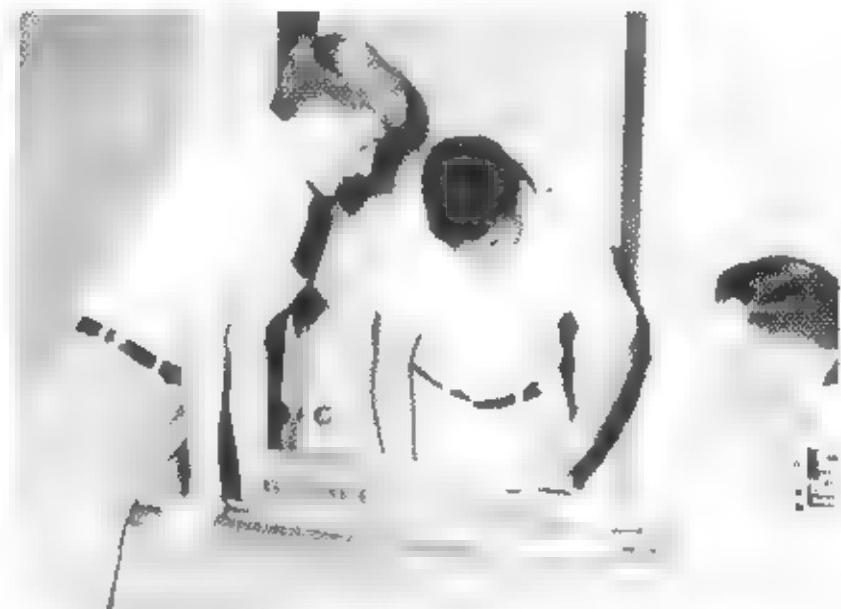

"Dana, just because you're handsome doesn't mean you don't have to pay attention!"

"¿Como esta usted?"

Back seat? Miracles  
never cease.

You might become another Johnny Carson yet, Mr. Robinson.

The line up.

We'll never get the paper out just  
standing around here.

"She won't pass us for just sitting here."

## Social Studies

"Mr. Calcote, what happened to the punch line?"

"No fair helping him, Mrs. Shivor. He has to do his own work."

"I run an orderly class."

"Since when is a Civics book so interesting?"

"Now look class, you have only two days to get those 20 jobs in."

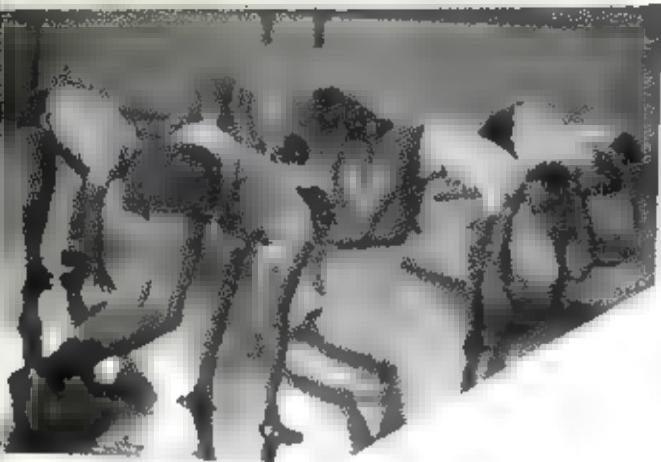

## Commerce

"Let's be quiet, people."

"Can't you add?"

Ugh! Ugh!

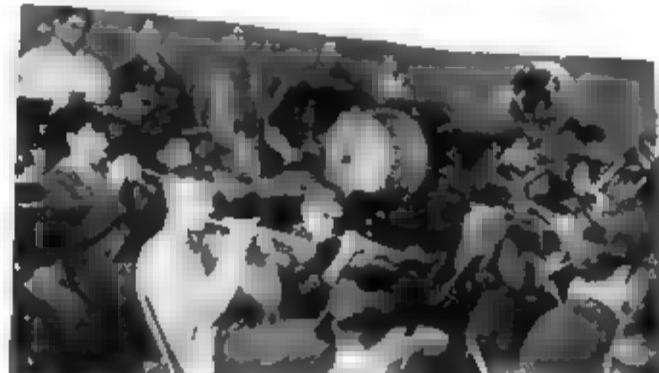

"Pull, pull, you can do it."

"Watch the film, girls. You might learn something."

"We finally gave up singing."

Size isn't everything!

Hey boys! No horseplay is allowed in here.

"Would you like to be an actress?"

"Girls, every pin must be exactly perpendicular."

"Paul, sorry there are no Playboy magazines in here."

"What? Another broken candy machine?"

What's cooking???

# Science

"That's a funny-looking boy. Chemistry has his head spinning."

"Well, maybe this will do it."

"Draw a diagram of the animal kingdom for next week."

"I wish I could have a class without any silly little girls."

"Sit up straight, Larry."

"OKay? OKay!"

"Learn these problems for tomorrow."

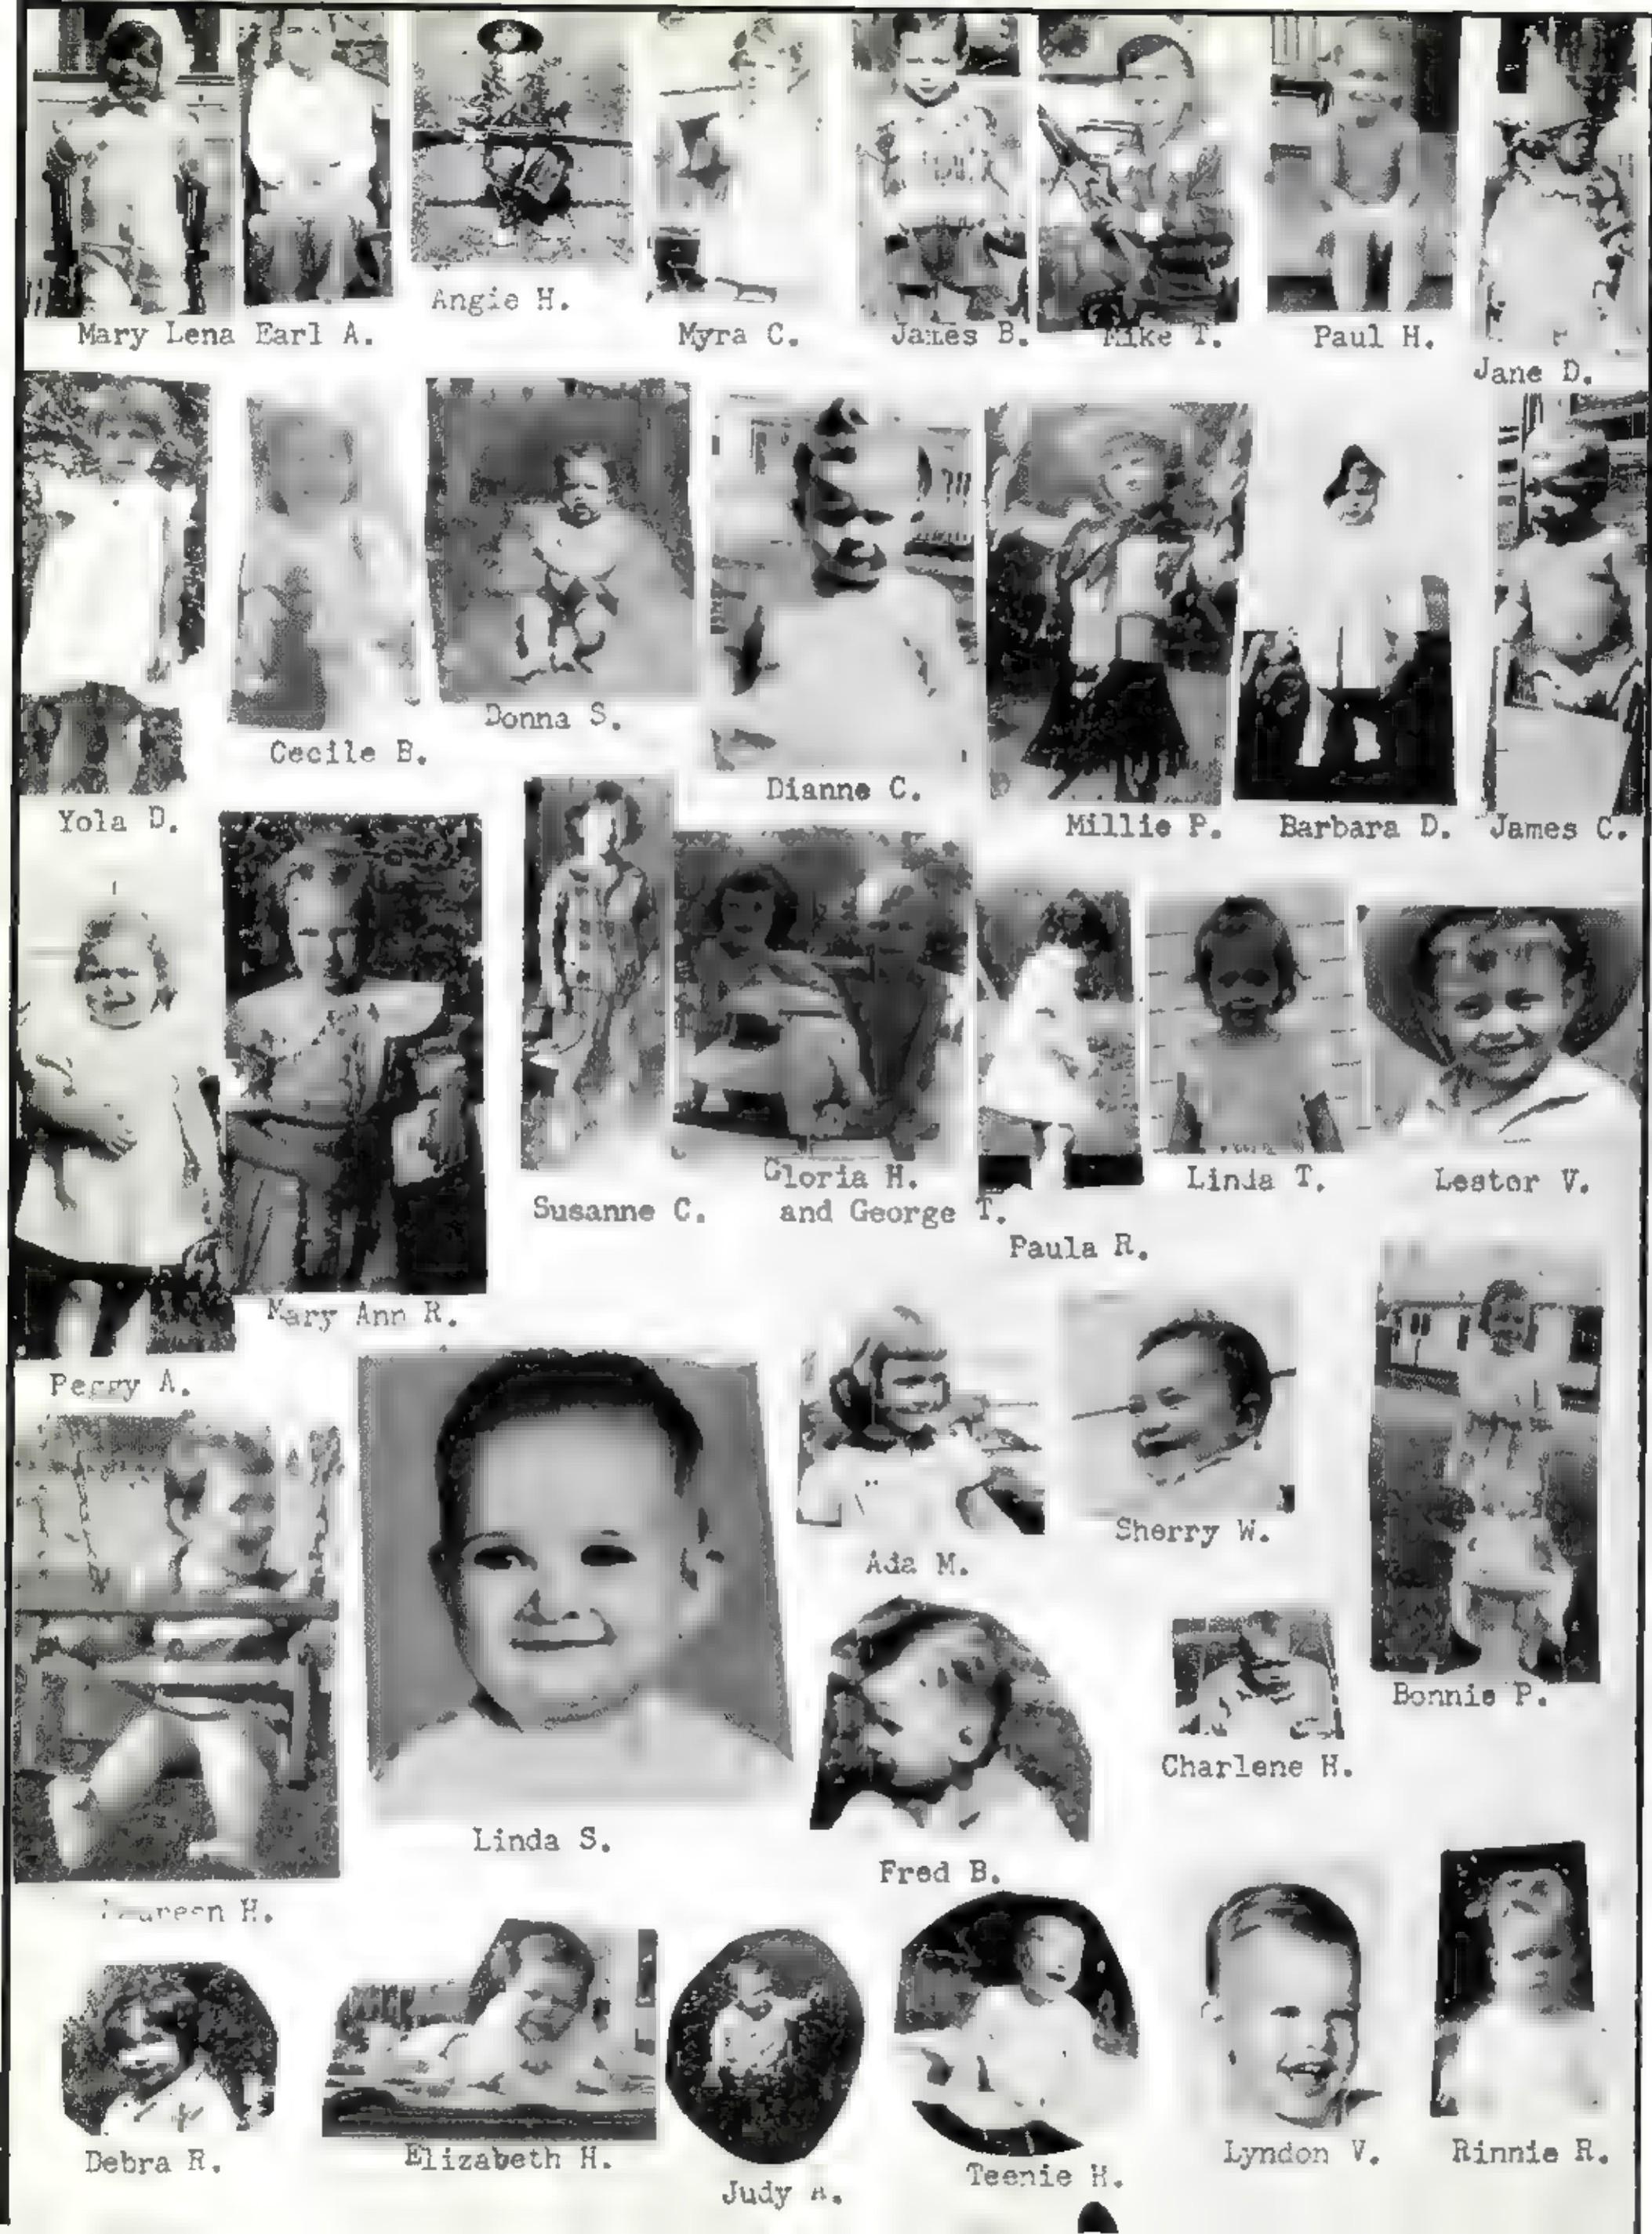

"All right, people!"
